

JCB Approved Contactless IC Terminal Product List

20 Nov 2024

-The table below shows Contactless IC Terminals approved by JCB.

-JCB may revoke, at any time and at its sole discretion, approval for Contactless IC Terminals listed here.

In that case, they will be withdrawn from this list.

-JCB does not warrant any problem or risk in connection with JCB Approved Contactless IC Terminals. The vendor is solely responsible for their products.

-Please follow requirements in JCB Regulatory Publications for setting up of Contactless IC Terminals.

* This product list does not include JCB-approved products from certain vendors. For inquiries related to unlisted products, please contact us.

* The table is composed of products before the Renewal Date and products under Renewal process. "Renewal Process" column is checked if the product is under Renewal process.

(Please note that Renewal might not be granted as a result of the Renewal process.)

* "Terminal Information" is based on the information submitted by the Vendor in the "ICS". JCB does not warrant or represent that the notified information is accurate or up-to-date. For further product details, please contact the Vendor.

* The list below shows the products approved by 1st November, 2024 and valid as of 20th November, 2024.
